PRAYER FOR PROTECTION THIS HURRICANE SEASON O God, Master of this passing world, hear the humble voices of your children. The Sea of Galilee obeyed Your order and returned to its former quietude. You are still the Master of land and sea. We live in the shadow of a danger over which we have no control; the Gulf, like a provoked and angry giant, can awake from its seeming lethargy, overstep its conventional boundaries, invade our land, and spread chaos and disaster. During this hurricane season, we turn to You, O loving Father. Spare us from past tragedies whose memories are still so vivid, and whose wounds seem to refuse to heal with the passing of time. O Virgin, Star of the Sea, Our beloved Mother, we ask you to plead with your Son of our behalf so that spared from the calamities common to this area and animated with a true spirit of gratitude, we will walk in the footsteps of your Divine Son to reach the heavenly Jerusalem, where a stormless eternity awaits us. Amen. Please contact our Priest before setting a wedding date.

All couples must complete formation meetings prior to nuptial celebration.

ANOIDING OF THE SICK

This sacrament, along with penance and Holy Communion, is available to anyone over the age of reason (nearing 7 yrs. old).

For Children under the age seven, they should be baptized and the special blessing for sick children is administered.

Viaticum is the sacrament of the dying and, if possible, Holy Communion in this form should be offered to them often.

SERIOUS ILLNESS: Please receive anointing if you know you will be having serious tests or surgery, or if you are growing weak with age, struggling with mental illness or addiction.

NON-SERIOUS ILLNESSES: Please ask for the sacrament the weekend before a medical procedure.

Please contact a clergyman when someone has died so that a Priest may assist the family in their grief. Remember, anyone can baptize with water in danger of death.

For those who use Rapides Regional Medical Center: A small reminder for all our Catholics who may be admitted to Rapides Regional Medical Center in Alexandria. Sometimes when going through admitting, the hospital worker may neglect to ask for the patient's religious affiliation. The result is the patient is not listed on the roster as Catholic and the hospital's Catholic ministry team is unaware that you are in the hospital. Please try to remember to mention this during the admitting procedure.
