This year's theme is Natural Family Planning, Designed by God, Guided by Love, Open to Life. The Catholic Church supports the methods of Natural Family Planning (NFP) because they respect God's design for married love. In fact, NFP represents the only authentic approach to family planning available to husbands and wives because these methods can be used to both attempt or avoid pregnancy. To learn more about NFP, visit <https://www.usccb.org/topics/natural-family-planning>

PRAYER FOR PROTECTION THIS HURRICANE SEASON O God, Master of this passing world, hear the humble voices of your children. The Sea of Galilee obeyed Your order and returned to its former quietude. You are still the Master of land and sea. We live in the shadow of a danger over which we have no control; the Gulf, like a provoked and angry giant, can awake from its seeming lethargy, overstep its conventional boundaries, invade our land, and spread chaos and disaster. During this hurricane season, we turn to You, O loving Father. Spare us from past tragedies whose memories are still so vivid, and whose wounds seem to refuse to heal with the passing of time. O Virgin, Star of the Sea, Our beloved Mother, we ask you to plead with your Son of our behalf so that spared from the calamities common to this area and animated with a true spirit of gratitude, we will walk in the footsteps of your Divine Son to reach the heavenly Jerusalem, where a stormless eternity awaits us. Amen.
